

THE WOOL CLIP

For all things Woollen

5th December 2022

Dear All

It's definitely beginning to feel a lot like Christmas here in Caldbeck.

The shop is now decorated for the season, [Alice](#) has been adding more items to our [online shop](#) and we've lots of woollen ideas that would make great gifts or decorations for your home.

There is plenty of yarn from our spinners and dyers plus a variety of kits for those who love making for themselves (or for others). [Chris](#) has even put together a selection of her Herdwick yarns with some other seasonal snippets to give you inspiration for the Christmas season with reds, greens and a bit of sparkle.

These collections, as well as lots of other yarn and finished items, are currently

available in the shop and in the [online shop](#) too. We've been advised by Royal Mail that next **Monday, 12th December**, is the last recommended posting date for second class parcels so please order online asap if you need your purchases in time for Christmas - we can't guarantee delivery but we'll do all we can.

The "real" shop will be open Tuesdays to Sundays as usual until 4pm on Friday 23rd (**closed Christmas Eve**).

For those of you planning a trip to Caldbeck to visit us after Christmas, we've decided to open between Christmas and New Year on Wednesday 28th, Thursday 29th and Friday 30th December (weather permitting) but we will then be closed on Saturday 31st December and Sunday 1st January.

If you're visiting the Lakes for New Year (or you are more local), we will be open on Monday 2nd and Tuesday 3rd January (again, winter weather permitting) but, after those couple of days, we'll close for our usual winter break, re-opening on Saturday 11th February.

Finally, thank you all for your continued support and we wish all our customers the very warmest of season's greetings.

Best wishes,

The Wool Clip
