

# THE WOOL CLIP

For all things Woollen

24 October

**Dear All**

Not sure about a season of mists and mellow fruitfulness - it all seems to have been a bit wet so far this autumn - but at least we've had some colder, crisper, blue-sky days too. We hope that you're keeping well, dry and warm and we wanted to offer a seasonal peak at what we have in the shop ([online](#) and in [Caldbeck](#)) at present.

The display in the shop this month has been all about wrapping up warm. It has featured one of [Julia](#)'s ponchos as well as various scarves, wrist warmers, bags and woollen hats designed and made by members of The Wool Clip co-operative.

We've also highlighted one of [Marion](#)'s embellished and upcycled woollen coats and, of course, there's plenty of yarn, including this selection from [Jean](#),

as well as tops for spinning or felting and a new selection of wool tweed selvedge.

As you can see below, there's lots of seasonal inspiration in our latest work.

[Ruth](#) has hats in the shop display as well as other knitwear for all ages and her various knitted gourds and pumpkins are proving particularly popular. [Debbie's](#) latest eco-printed wool scarves and framed panels have lots of echoes of autumn leaves and colours about them too.

Finally, we know that a lot of you are keen to find yarn as well as tools and we hope that the shop is a treasure trove for your own wool crafting. [Chloe's](#) stitch and row markers and counters are always popular and there's lots more to browse whether you're an experienced knitter or just starting out with crochet or another wool craft. We specialise in local British wool and have a range of native breed yarns in their natural colours as well as a stock of kits using our yarn and plenty of hand-dyed options.

If you'd like to call in, we're open 11am to 4pm up to Christmas, Tuesdays to Sundays (weather and water permitting). Our [online shop](#) is open 24/7 and we're happy to answer any queries about online sales during shop hours on 016974 78707.

Best wishes, stay warm and we hope to see you soon,

**The Wool Clip**

PS If you live towards the Northeast or the Upper Eden Valley of Cumbria,

don't forget that we also have an outpost in [The Hub at Appleby](#), which is open Wednesdays to Saturdays, 10am to 3pm. There's a lovely café there too and Appleby has a good Tourist Information Centre with details of local attractions and walks by the Eden river. There are also lots of other independent shops.
