

THE WOOL CLIP

For all things Woollen

8 December

Dear All

We've had all sorts of winter weather at Caldbeck in the past week or so and there's probably more to come! Now seems a good time to let you know our opening hours for the coming weeks (weather and road conditions permitting) and also the last date for orders from our [online shop](#).

First those opening hours: we'll be open from 11am to 4pm as usual until **Saturday 23rd December**. We're then closed 24th, 25th, 26th and also 27th but **reopening** on Thursday 28th and also open on 29th and 30th. We're then closed for about six weeks for our winter re-stock, opening on the first Saturday of the schools' half-term, **Saturday 10th February**.

There's lots of traditional red and green work in the shop at the moment, including Christmas decorations (like [Linda's](#) Holly wreath) but also kits (like

[Jane](#)'s Robin), accessories (like [Chris](#)'s bag and various wrist warmers), clothing (including [Jean](#)'s hand-dyed sweaters) and a selection of [David](#)'s woven scarves, hangings and stoles.

We also make good use of the natural colours of wool and more muted dyed shades too. [Jane](#)'s pompom decorations come in a range of fleece options and colours while [Debbie](#)'s eco-dyed gifts use leaves and plants to create natural colours. The background to the central image here is one of [David](#)'s woven lambs' wool cot blankets - super soft. Then [Julia](#) has a new Naturals range of accessories with headbands shown here. There's much more too, with both [Susanna](#) and [Chloe](#) using natural Herdwick wool (crocheted or knitted respectively) for their designs, [Tracey](#)'s newest star bunting kits and [Alice](#)'s passion for yarn from native breeds.

If you can't make it to Caldbeck to see for yourself, we have new stock in our [online shop](#) and we're happy to take orders up to and including **Sunday 17th December**. That gives us a day to collect items from Caldbeck and get them into the last Christmas posting on Monday 18th December.

We hope you have a happy Christmas and very best wishes for a healthy New Year.

Best wishes, **The Wool Clip**

PS If you're planning to visit and in any doubt about our opening because of foul weather, please call the shop on 016974 78707 or check our [Facebook Page](#) for updates. Thanks.
